Tara,

Thank you for the pictures, you wouldn't happen to have an example of a standard dewatering procedure with photos?

Tara,

It was good talking with you today about the Electro Hyrdo Fish Kill incident. Could you send me the full copy of your report with pictures included? As I mentioned on the phone I am gathering information as part of EPA's investigation for the Surface Water Enforcement Section (SWES) under the Enforcement Compliance Assurance Division (ECAD), at EPA Region 10.

Thank you,
Steven
